Past Military Members Applying to BSN Program

This policy is applicable only to prelicensure BSN applicants. It does not apply to RN-BSN or ICCP applicants.

Beginning January 1, 2017, U.S. military veterans in the nursing program will be held for military veterans per application cycle. After these three [illegible] spaces will be held for military veterans per application cycle. After these three [illegible] be considered [illegible] form showing the applicant's honorable discharge. [illegible] Students must apply separately to the University, adhering to university deadlines. See the online application and the BSN information packet (PDF) for more information.

The Valley Foundation School of Nursing at San José State University complies with California Board of Registered Nursing regulations (PDF) [illegible] submission of documentation materials. Please see the Military Education Policy for more details.
