Entering Supporting Information

In this section, you are asked to enter your work and other experiences and your achievements. The information entered in this section of the application will be reviewed at the discretion of your department.

1. Click on the Supporting

SISU: Office of Graduate A

You will need to add the **Experience Dates and Details** before clicking **Save & Continue**.

Your **Added Experience** will show for your review.

*** Alexa ling base through the other and the analysis bucker is maximum to the philos material instability at a second s

Entering Program Materials

We have several programs which require that you upload your department documents directly into the Cal State Apply application. If you are applying to any of the programs listed below (*list may change without notice), you will need to submit all department required documents at the time of the application. This means that all department materials must be uploaded into the application; and, the application must be submitted by the application deadline for these programs.

In addition, all programs

1. Click on the **Program Materials** square.

J 2-uE /F4 11.04 Tf 1 0 0 1 114.62 611.02 Tm 0 g 0 G [(P)eeded

2. Click on the **program** tab.

3. You will see tabs of all the **required documents** needed for this section AND the **applicatsection AND the**

4. On the **Documents** tab, you will see the department document requirements.

Once you submit your application, you will not be able to add or edit any required documents.

- 5. On the **Recommendations** tab, you will see the department letters of recommendation requirements.
- 6. Click Add Recommendation to enter recommendation information.

The bottom right hand corner has the total number of required recommendations.

 Enter the name, email address, due date, and personal message to your recommender – along with waiver of access and permissions. You will also see helpful uploading tips.

> Add a personal note that explains your desire for further studies and how you know the recommender.
