INTERNATIONAL APPLICANT FINANCIAL FORM

International applicants must affirm that they are responsible for paying all tuition, fees and living expenses for the entire period of intended study by completing the declaration of finance form. In order to issue your I-20, we are required to collect documentation that shows you have funds available to pay for the total estimated expense for the first year of your academic program. Estimated expenses include tuition, fees, living expenses and health insurance. Actual expenses may vary.

Please note: If you are currently in a different immigration status (e.g. H4, F2, etc.) and wish to convert to an F1 student visa, please D0 N0T submit this form at the time of admission. You will need to meet with an <u>International Student and Scholar Services</u> staff member to discuss next steps.

You must refer to the <u>Required Financial Documents for International Students</u> for more information, including the tuition and cost of living estimates for each program.
