"Success in this course is based on the expectation that students will spend, for each unit of credit, a minimum of 45 hours over the length of the course (normally 3 hours per unit per week with 1 of the hours used for lecture) for instruction or preparation/studying or course related activities including but not limited to internships, labs, clinical practica. Other course structures will have equivalent workload expectations as described in the syllabus."

### **Grading Information**

Your final class grade will be weighted as follows:

Assignments: 40%

4 Exams: 15% each

Final course grades will be based on a curve. The median total score will earn a B-.

Approximately one third of the class will earn higher grades, and another one third will earn lower grades.

### **Classroom Protocol**

It is very important for each student to attend classes and to participate. Cell phones in sijnii
