

**San José State University**  
**College of Science/Department of Compute Science**  
**CS 154\_s4: Formal Languages and Computability**

**Instructor(s):**

Dr. Chung-

Cheating will not be tolerable; a ZERO will be given to any cheated assignment/exams, and it will be reported to the Department and the University.

Do NOT share/post online any course materials, PPT slides, or homework solutions.

Audio or video recording of the lectures are NOT allowed.

Use of electronic devices during exams is NOT allowed.

You are required to check Canvas for reading/assignments.

The information on this syllabus is subject to change; changes, if any, will be carefully explained in class, and it is your responsibility to become aware of them.

Once the class starts, use Canvas Inbox to email me for a faster response. I check the Canvas Inbox emails much more often than my school emails.

### **Attendance**

University policy F69-24 at <http://www.sjsu.edu/senate/docs/F69-24.pdf> states that students should attend all meetings of their classes, not only because they are responsible for material discussed therein, but because active participation is frequently essential to insure maximum benefit for all members of the class.

8	Mar 16,18	Pumping Lemma, Context-free Languages	2	HW #4 Assigned
9	Mar 23,25	Turing Machines	3	
10	Mar 30, Apr 01	Spring Break (March 30-April 3)		
11	Apr 06,08	Nondeterministic Turing Machines	3	HW #5 Assigned

12 Apr 13,15
