Student guest presented an update on plans for this year's Cultural Showcase. It was created as a Salzburg Scholars project and is in its third year. Auditions will be on 3/15 and the event will be on 4/21. They are adding a reception afterwards to facilitate the mingling of the different cultures.

The President provided a summary of her meeting with the Black Leadership Kitchen Cabinet.

Those who attended shared a summary and impressions from attending the AAPI summit and break-out sessions. A central issue raised by students was the concern with the resources others are getting, relative to them, and a feeling that there was not open and transparent communication about resources.

We had a robust brainstorming session about the role of the PCD moving forward, in particular with a new President and CDO coming on board. Most of the sentiments are captured in the list below.
