Course Description

Macroeconomics is the study of the behavior of economic agents such as households, firms and governments, whose collective decisions determine how resources are allocated in a free market economy. The goal of the course is to teach you to "think like an economist". Those tools will be formulated to better understand and analyze the economic, political, social world surrounding us and to formulate policy implications.

Course Learning Objectives (CLOs) & Program Learning Objectives (PLOs)

Economics Program Learning Objectives (PLOs)

- Comparative Advantage (specialization and the gains from trade, globalization)
- Macroeconomic Measures (real versus nominal calculations, components and concept of GDP; components and concept of unemployment figures, calculation of inflation)
- Macroeconomic Models (circular flow; monetary and fiscal policy; the market for loanable funds & interest rate determination; the demand and supply of money & price level determination)

Assessment: analysis of student answers to multiple choice and essay problems

Course Learning Objectives (CLOs)

Upon successful completion of this course, students will be able to understand how:

INCENTIVES MATTER, people respond to incentives

OPPORTUNITY COSTS impact how we make decisions

Assessment: analysis of student answers to multiple choice and essay problems

Course Requirements and Assignments

“Success in this course is based on the expectation that students spend, for each unit of credit, a minimum of 45 hours over the length of the course (normally 3 hours per unit per week with 1 of the hours used for lecture) for instruction or preparation/studying or course related activities including but not limited to internships, labs, clinical practice. Other course structures will have equivalent workload expectations as described in the syllabus.”

University Policies

Academic Integrity

Your commitment as a student to learning is evidenced by your enrollment at San Jose State University. The [University's Academic Integrity policy](http://www.sjsu.edu/senate/S27.htm), located at <http://www.sjsu.edu/senate/S27.htm>, requires you to be honest in all your academic course work. Faculty members are required to report all infractions to the office of Student Conduct and Ethics.

submitted, or plan to submit for another class, please note SJSU's Academic Integrity Policy S072 requires approval of instructors.

Campus Policy in Compliance with the American Disabilities Act

If you need course adaptations or accommodations because of a disability, or if you need to make special arrangements in case the building must be evacuated, please make an appointment with me as soon as possible, or see me during office hours. [Presidential Directive 9703](http://www.sjsu.edu/president/docs/directives/PD_1097.pdf) at http://www.sjsu.edu/president/docs/directives/PD_1097.pdf requires that students with disabilities requesting accommodations must register with the [Disability Resource Center \(DRC\)](http://www.drc.sjsu.edu/) at <http://www.drc.sjsu.edu/> to establish a record of their disability.

Student Technology Resources

Computer labs for student use are available in the [Academic Success Center](http://www.at.sjsu.edu/asc/) (<http://www.at.sjsu.edu/asc/>) located on the 1st floor of Clark Hall and in the Associated Students Lab on the 2nd floor of the Student Union. Additional computer labs may be available in your department/college. Computers are also available in the Martin Luther King Library.

A wide variety of audiovisual equipment is available for student checkout from Media Services located in IRC 112. These items include DV and HD digital camcorders; digital still cameras; video, slide and overhead projectors; DVD, CD, and audiotape players; sound systems, wireless microphones, projection screens and monitors.

SJSU Peer Connections

The Learning Assistance Resource Center (LARC) and the Peer Mentor Program have merged to become Peer Connections. Peer Connections is the new video resource for mentoring and tutoring. Our staff is here to inspire students to develop their potential as independent learners while they learn to successfully navigate through their university experience. Students are encouraged to take advantage of services which include course content based tutoring, enhanced study and time management skills, more effective critical thinking strategies, decision making and problem solving abilities, and campus resource referrals.

In addition to offering small group, individual, and drop-in tutoring for a number of undergraduate courses, consultation with mentors is available on an appointment basis. Workshops are offered on a wide variety of topics including preparing for the Writing Skills Test (WST), improving your learning and memory, alleviating procrastination, surviving your first semester at SJSU, and other related topics. A computer lab and study space also available for student use in Room 600 of Student Services Center (SSC).

Peer Connections is located in three locations: SSC Room 600 (10th Street Garage) at the corner of 10th and San Fernando Streets at the 1st floor entrance of Clark Hall, and in the Living Learning Center (LLC) in Campus Village Housing Building B.
