Social Science, Human Behavior

Course Description

Allocation of resources and distribution of income as affected by the workings of the price system and by government policies

Course Goals and Course Learning Objectives (CLO)

GE Learning Outcomes

Economics 1B is a general education course that meets the requirements for area B social science area. The GE writing requirement (1500 word minimum) will be satisfied by a two part written assignment. Details will be provided as we moved forward in the semester

Course Learning Outcomes

- x Incentives Matter (law of demand; law of supply; rational decision makers weigh marginal costs versus marginal benefits; the power of self interest and how it contributes to broader social interest)
x Opportunity Costs (production possibilities; tradeoffs in consumption and production; gains from trade; comparative advantage)

Your final numerical grade will be the weighted average of your scores in the above categories, and your corresponding letter grade will be assigned as follows:

Week
