

## Adapted Physical Education (APE) Added Authorization

The Adapted Physical Education (APE) Added Authorization is available to each special education teacher who has completed the required training and certification requirements. The APE Added Authorization is an add-on authorization for the holder of a valid teaching certificate.

The APE authorization is offered through the Killebrew Deane and Saeed University. If you have a 3.00 GPA (overall), in a Single Subject PE certificate, you will need to complete 13 hours of APE. If you have a teaching certificate in PE but not in the CTC-authorized certificate for the APE add-on, you will be
