

## Terms and Conditions of Graduate Admission | Spring 2021

In order to keep your admission to San José State University, you must meet these terms and conditions of graduate admission. All self-reported information is subject to verification. If final documents (i.e. degree certificates/final transcripts) are not received by the deadlines listed below, your admission will be withdrawn, even if you are registered for courses, living in campus housing, or have received financial aid.

### Y . . . A . . . S a . .

- Classified - All conditions of admission have been satisfied.
- Classified, Provisional - Your admission is provisional pending verification of final documents. All final documents must be submitted by the deadline posted to your MySJSU student account.
- Conditional - You must satisfy conditions placed on your admission by the department that oversees your major to maintain your eligibility to enroll.
- Conditional, Provisional - You must satisfy conditions placed on your admission by the department that oversees your major to maintain your eligibility to enroll AND your admission is provisional pending verification of final documents. All final documents must be submitted by the deadline posted to your MySJSU student account.
