The Charles W. Davidson College of Engineering

2020 Faculty Award for Excellence in Service

Dr. Minnie Patel

The Faculty Award for Excellence in Service Recognizes facultyRecognizes

lightweight cardio exercises. I like to travel and explore places. I firmly believe that by serving others selflessly, purity of mind can be gained and this will help me understand who I really am and my relation to the world." Minnie is also currently developing her skills and knowledge in the area of data analytics.
