Mission, Values & Goals: Catalyst Project is a center for political education and movement building based in the San Francisco Bay Area. We are committed to anti-racist work in majority white sections of left social movements with the goal of deepening anti-racist commitment in white communities and building multiracial left movements for liberation. We are committed to creating spaces for activists and organizers to collectively develop relevant theory, vision and strategy to build our movements.

Catalyst programs prioritize leadership development, supporting grassroots fighting organizations and multiracial alliance building.

Catalyst Project is located at 522 Valencia Street, San Francisco, CA 94110
