Final Examination or Evaluation

Faculty members are required to have a culminating activity for their courses, which can include a final examination, a final research paper or project, a final creative work or performance, a final portfolio of work, or other appropriate assignment.

Grading Information

In order to receive a grade for this course, all course requirements must be met, and every assignment must be completed. Failure to complete all assignments may result in a failing grade for the course. Deadlines are firm. Late assignments/papers will not be accepted for full credit (without extenuating personal circumstances due to own or family health; or other university recognized excuse). In such cases, appropriate documentation must be shown to the instructor. Late assignments/papers will lose 10% for every calendar day that they are late, including weekend days. There are no opportunities for extra credit in this course.
