In Zoom class sessions, I will initially “mute all.” This is to limit the dog-barking, child-yelling, horn-honking, microphone-bumping noises in the backgrounds of all our lives! Please raise your hand to ask a question (hand raising is a Zoom feature). I will call on you and you can unmute yourself. Alternatively, you can type questions in the chat box.

Please be respectful of each other in Zoom class (live) and in writing on the discussion board. Absolutely no racist, sexist, homophobic, or other offensive or discriminating language or imagery will be tolerated.

Plagiarized work will result in a 0 grade on the assignment and will be reported to the Office of Student Conduct. See below for more information on academic integrity.

Late work may be submitted for reduced credit, -10% for each week that it is late.

Make-ups for exams and quizzes will generally not be permitted. Please set reminders so that you do not miss them.

+ #,- *.' ,)/\$<2,5,* '\$\$

words in quotation marks and state the source. If you are not sure whether your work would be considered plagiarism, please discuss it with me in office hours -- BEFORE it is due.

Academic dishonesty is a serious offense, and incidents will be reported to the Office of Student Conduct. Don't jeopardize your education, or damage your academic reputation and your self-esteem by cheating or plagiarizing on any assignments. Work hard, and do your best.

[Forensic Science Students](#) is a campus group open to all students interested in forensic science. The group meets biweekly during the semester and offers friendship, forensic science-related activities, networking opportunities, and mentorship. Members of the FSS participate and assist at conferences, CSI camps, guest speaking events, and other extra-curricular activities. FSS Peer Mentors assist forensic science students in navigating the major, understanding requirements and prerequisites, and making wise choices in their college careers. Mentors may also offer limited tutoring, and facilitate educational and professional opportunities. Contact sjsu.fss@gmail.com for more information, or to get an application for membership.

Juno earned an MSc in Forensic Science from the University of Strathclyde in Glasgow, Scotland, and a BA in Biological Anthropology from San Francisco State University. Juno worked for many years as a CSI at the Oakland Police Department where she processed hundreds of major crime scenes. She coordinates Forensic Science Minor and teaches FS and JS courses at SJSU. She also teaches at CCSF and SFSU.
