CLASSROOM PROTOCOL

: According to University policy F69-24 "Students should attend all meetings of their classes, not only because they are responsible for material discussed therein, but because active participation is frequently essential to insure maximum benefit for all members of the class. Attendance per se shall not be used as a criterion for grading". Attendance is taken at each class meeting using sign-in sheets.

: While in class please turn your cell phone off. If your laptop has wireless access you may use it to access information relevant to the discussion, but please do not read emails, newspapers or other non-class related material during class. Students are encouraged to speak up with questions and comments, and to respond to points raised by other students. However, the maintenance of an effective discussion space in class requires all of us to act with respect for everyone else in the room.
