Midterm Examination or Evaluation (CLO1, CLO2, CLO4, CLO5)

The midterm will cover weeks 1-6. It will be open notes, and include multiple choice, short, and long answer questions.

Final Examination or Evaluation (CLO1, CLO2, CLO4, CLO5)

The final exam will cover weeks 7-15. It will be open notes, and include multiple choice, short, and long answer questions. The final exam will be taken at the time of the scheduled in-class final on Canvas.

Technical difficulties during exams

• Internet connection issues:

Canvas autosaves responses a few times per minute as long as there is an internet connection. If your internet connection is lost, Canvas will warn you but allow you to continue working on your exam. A brief loss of internet connection is unlikely to cause you to lose your work. However, a longer loss of connectivity or weak/unstable connection may jeopardize your exam.

• Other technical difficulties:

Immediately email the instructor a current copy of the state of your exam and explain the problem you are facing. Your instructor may not be able to respond immediately or provide technical support. However, the copy of your exam and email will provide a record of the situation. Additionally, you must contact IT services immediately and include a case number in your email to the instructor.

• Contact the SJSU technical support for Canvas: Email: ecampus@sjsu.edu Phone: (408) 924-2337

"Success in this course is based on the expectation that students will spend, for each unit of credit, a minimum of 45 hours over the length of the course (normally 3 hours per unit per week with 1 of the hours used for lecture) for instruction or preparation/studying or course related activities incw T^{*}_[(1)0.7 (at)17.4tilhvi oimmted aco

• **Sanctions:** There shall be two major classifications of sanctions that may be imposed for violations of this policy: Academic and Administrative. Academic sanctions are actions related to the coursework or grades determined by the faculty member. Administrative sanctions are actions that address a student's status on campus and are determined by the Office of Student Conduct & Ethical Development. Academic sanctions and administrative sanctions may be imposed simultaneously.

To ensure compliance with academic integrity policies, all work in this class must be turned in through Turnitin.com, a plagiarism detection service with which San José State University contracts. Students are responsible for ensuring their work is accepted and evaluated by Turnitin.com. Inability to do so will lead to an incomplete grade for affected assignments. In case plagiarism is detected once, the plagiarized assignment will receive a failing grade. If plagiarism is detected multiple times, students will receive a failing grade for the course.

Campus Policy in Compliance with the American Disabilities Act

If you need course adaptations or accommodations because of a disability, or if you need to make special arrangements in case the building must be evacuated, please inform me immediately by emailing me or by making an appointment with me as soon as possible. <u>Presidential Directive 97-03</u> requires that students with disabilities requesting accommodations must register with the <u>Accessible Education Center</u> (AEC) to establish a record of their disability.

Consent for Recording of Class and Public Sharing of Instructor Material

<u>University Policy S12-7</u>, http://www.sjsu.edu/senate/docs/S12-7.pdf, requires students to obtain instructor's permission to record the course and the following items to be included in the syllabus:

- "Common courtesy and professional behavior dictate that you notify someone when you are recording him/her. You must obtain the instructor's permission to make audio or video recordings in this class. Such permission allows the recordings to be used for your private, study purposes only. The recordings are the intellectual property of the instructor; yo u have not been given any rights to reproduce or distribute the material."
 - In classes where active participation of students or guests may be on the recording, permission of those students or guests should be obtained as well.
- "Course material developed by the instructor is the intellectual property of the instructor and cannot be shared publicly without his/her approval. You may not publicly share or upload instructor generated material for this (at)0.7iur st pervi6 (w)5.4 (e)5.7 (xvi6 (a)-6 (t) qu)-6 (n a)-6 ()-5.3 (s)5.7 (on a)-6 (l)-5.3 (, for
