### David A. Brown Fellowship in Mechatronics

On August 1, 2022, the University of North Carolina awarded the David A. Brown Fellowship in Mechatronics to **Chaitanya Choudhary**, a graduate student in the Department of Mechanical and Aerospace Engineering. The David A. Brown Fellowship is a prestigious award that recognizes outstanding graduate students in the field of Mechatronics. The award is named in honor of David A. Brown, a distinguished alumnus of the University of North Carolina who made significant contributions to the field of Mechatronics. The recipient of the David A. Brown Fellowship will receive a stipend of \$5,000 per year for the duration of their graduate studies.
