

Beware: Limited Parking and Heavy Traffic

During the first few weeks of instruction, traffic is unusually heavy and finding parking is difficult! Please plan accordingly and consider using the South Campus Garage (1278 South 10th St.) or your VTA Eco Pass for public transportation.

- Throughout the semester, the parking garages usually fill to capacity prior to 9:00 am and remain full past 2 pm. After 8:30 a.m., it is recommended that you go to South Campus Garage. For real time parking capacity in garages, please check garage statuses at <http://sjsuparkingstatus.sjsu.edu/>.

Virtual parking permits for new permit purchases

Parking Services at San Jose State University utilizes [virtual permits](#) for all parking. Virtual permits allow you to park in your designated area without being required to display a physical permit. Your vehicle license plate is your parking permit. **Make sure you take picture of your license plate to have it ready when you purchase your virtual parking permit.** Visit [virtual permit FAQ](#) for additional information.

Avoid traffic and parking frustration...

Use SOUTH CAMPUS GARAGE !

- Location: The "SJSU South Campus Garage" is located eight blocks south of the main campus on S. 10th Street at E. Alma Street across from San Jose Sharks Ice Arena.
-
