The FAR shall be a full-time tenured member of the faculty and attend to all duties of that office as specified in manuals of San José State University, the National Collegiate Athletics Association (NCAA), the Western Athletics Conference (WAC), and the Faculty Athletics Representatives Association (FARA). The FAR should have a campus reputation in a role unrelated to intercollegiate athletics, such as excellence in teaching, research, or prior administration, in order to enhance the visibility and effectiveness of the position. After consultation with the Athletics Board and the Executive Committee of the Academic Senate of the need to select and appoint a FAR, the Office of the President shall advertise the FAR position availability and collect nominations and applications that subsequently will be reviewed by the Athletics Board and the faculty members of the Executive Committee of the Academic Senate. The applicants deemed to be qualified by these bodies shall be interviewed by the Chair of the Academic Senate and the Chair of the Athletics Board (or their respective designee), and the Executive Assistant to the President. The President shall make the appointment from the finalists that result from the interview process.
- 2.0 The term of the office shall be three years and may be renewed once with approval of the President in consultation with the Academic Senate Executive Committee.
