Curricular Impact: The net effect may be more students taking (and passing) courses with CBE- Challenge Exams. This in turn would lead to the freeing up of seats in classrooms, more timely graduation for those who pass the CBE- Challenge exams, and more access to enrollment of new students if the CBE- Challenge Exam students graduate more quickly.

Financial Impact: As former challenge exams generated FTES and the proposed CBE- Challenge exams will not do so, these CBE exams could reduce campus FTES, though the effect is not anticipated to be very large.

Workload Impact: There will be an initial staff and administrative workload associated with the creation of new reporting forms and processes consistent with this policy, primarily affecting the Registrar's Office and the Office of Graduate and Undergraduate Programs. Systematizing the administration of SJSU CBE-Challenge exams could reduce faculty and staff workload.
