

At its meeting of January 29, 2001, the Academic Senate passed the following Policy Recommendation presented by Pamela Stacks for the Organization and Government Committee.

### **POLICY RECOMMENDATION**

### **ALCOHOL AND DRUG ABUSE PREVENTION**

### **COMMITTEE COMPOSITION**

#### **Rescinds S96-12**

Whereas: The ADAPC committee has requested that its composition be changed to provide for the necessary expertise directly on the committee to deal with at least the following four issues:

- i. Effective outreach to students.
- ii. Effective communication about the "Drug free" Schools Act (which mandates communication to all employees at an institution, else the threat of losing Federal Funding if non-compliant).
- iii. Dealing with enforcement and policy issues.
- iv. Reporting Alcohol and Drug Abuse statistics at SJSU; and

Whereas: Student outreach and input for policy and prevention should involve a number of different student constituencies (such as Associated Students, Student Groups, Residential Life, and Greek Life); and wherever possible the Senate should make use of umbrella organizations to obtain student representation (such as Associated Students or the Inter Residential Hall Association) or in the absence of an appropriate umbrella organization, a coordinator of Greek-letter organizations (such as the Student Life Coordinator of Greek Life), to obtain student representation; and

One nominee from Inter Residential Hall Association,  
and

One selection by the Greek Life Coordinator in  
Student Life from among the

memberships of Inter-Fraternity Council,  
Panhellenic Council, National  
Panhellenic Council, and Greek chapters  
not affiliated with any of these councils.

- b. The chair shall be designated by the University President.
- 4. The committee shall report to the University President. The University President shall consult with the Academic Senate on all recommendations affecting policy.
