Resolved That S06-7 be rescinded:

Rationale: S13-9 amended S06-7, but in fact, should have rescinded the older policy. S13-9 can and should replace S06-7 since it contained the key provisions of the original policy while adding a clear operational process to (a) ensure that all parties adhered to the principle of meaningful consultation with all academic units affected by a proposed merger, department division, transfer, or elimination and (b) minimize the likelihood of the need for conflict resolution.
