Amendment D to University Policy S15-8, Retention, Tenure
and Promotion for Regular Faculty Employees: Criteria and
Standards, Deleting an Obsolete Reference

Resolved: That S15-8 be amended as shown in the strikeout of the excerpted policy.

Rationale: The College of Extended and International Studies was excluded from coverage under this policy when the policy was adopted in 2015 since at the time that college did not contain faculty. Since then, the college has been renamed and faculty have been assigned to the new academic unit, making this exclusionary language obsolete and unnecessary.

Approved: November 16, 2020
