## **Bylaw 6. Standing Committees**

6.1 The Academic Senate shall establish and appoint such standing committees as may be needed.

6.2 Except as otherwise provided in these bylaws, appointments to policy committees of the Academic Senate shall be recommended by the elected members of the Executive Committee and approved by the Senate; appointments to operating committees shall be recommended by the Committee on Committees and approved by the Senate. When an appointment is recommended more than one week before the next regular meeting of the Senate, the recommending body may make its recommendation effective at once as a temporary appointment. These temporary appointments shall last until the next meeting of the Senate and must receive Senate approval to become permanent.

6.3 Committees concerned primarily with faculty affairs shall contain a majority of teaching faculty with full-time appointments. Committees concerned with student affairs shall contain a significant proportion, but not a majority, of students.

6.4 For purposes of service on Senate committees, all university staff, academic or other, full or part-time, active or retired, and all students and alumni shall be considered members of the university community.

6.5 Recommendation of students for membership on operating committees shall be made according to the recommendation procedures of the Associated Students, Inc. and should be transmitted to the Associate Vice Chair by the first meeting of the new Academic Senate for final approval by the Senate. The Associated Students, Inc. should give student appointments to the Student Fairness Committee a high priority.

Recommendations for appointment to policy committees of student members of the Senate and student policy committee representatives shall be transmitted to the Associate Vice Chair by the Associated Student's, Inc. Board of Directors, acting in accordance with the appointment rules and nomination procedures of that organization. The recommendations should be transmitted to the Associate Vice Chair by the second meeting of the new Academic Senate.

When appointments have been approved by the Senate, the Senate Administrator shall notify those appointed.

6.5.1 Should the Associated Students, Inc. Board of Directors not transmit recommendations of students for membership on Senate operating committees or policy committees by the fourth week of instruction, the following shall supersede the rules of the Associated Students, Inc. for

6.8 Except as otherwise provided in these bylaws, chairs of operating committees shall be elected by the committee. Any member of the committee, except an ex officio member, is eligible as chair. Chairs of policy committees shall be elected annually by the Senate from its faculty representatives. Nominees for Chair of Professional Standards must be tenured full professors.

6.9 a) All policy committee appointments shall be for one year, commencing with the first meeting of the Senate for the year (in the last month of the Spring semester).

b) Seniority shall not be the primary factor in selecting members of policy committees.

c) Tenured faculty should be given priority for appointment to the Professional Standards Committee.

6.10 Policy committees shall normally be composed so that at least one half of the members of a policy committee are also members of the Senate. Thus, all Senators will normally be appointed to a policy committee prior to appointments of faculty who are not senators. Generally, no person shall serve on more than one policy committee. Exceptions may be made for the President of the Associated Students, officers of the Senate, and university administrators. Members of Senate policy committees, including ex officio members, can vote and be counted for quorum only if present in person.

6.10.1 Normally, one faculty member from each of the units from which faculty representatives are elected is assigned to each policy committee. In no instance shall more than two faculty members from any of the units from which faculty representatives are elected be assigned to one policy committee.

6.10.2 The senators representing the Emeritus Faculty Association and the Alumni Association are eligible for appointment to policy committees with the exception of the Professional Standards Committee. If they wish to serve, they shall, at the beginning of the academic year, request appointment. They may request a specific committee assignment; they may not serve on the same committee. Requests shall be made to the Executive Committee. When appointed, they shall have the status of ex officio members.

6.11 Appointments of faculty to operating committees shall be fe d , t t i a

that college's committee seats are still vacant and invite them to recommend faculty for those seats within one week's time. The college representative and deans shall be reminded that the seats will become faculty-at-large seats for the year if no college faculty to fill them can be found. The dean's recommendations shall be forwarded to the college's Committee on Committees representatives who shall present one name to the Associate Vice Chair of the Senate to be reported to the Senate or to the Executive Committee, as appropriate under bylaw 6.2.

c) Following the fourth week of instruction, all vacant college seats on committees for which no faculty from the college have been recommended under paragraph (b) above (or otherwise identified) shall become faculty-at-large seats for the balance of the year and all members of the Committee on Committees shall be requested to supply names of faculty from any representative unit to fill these vacancies.

d) Following the third week of instruction, all vacant college seats on committees shall become faculty-at-large seats for the balance of the year (except as noted in part (a) above). First priority in filling these vacancies shall be given to elected faculty representatives not assigned to other policy committees. If all elected faculty representatives (other than Senate officers) have been appointed to policy committees and there are policy committee seats still remaining vacant, they shall be filled as provided in 6.13(b) and (c) above.

e) The Associate Vice Chair of the Senate shall coordinate this selection process so as to maintain as far as possible a representative balance across committees and shall report one name for each vacancy to the Senate or the Executive Committee as appropriate under bylaw 6.1
