**SM-F13-1, Senate Management Resolution, Updating the  
Membership of the Instruction and Student Affairs  
Committee**

**Amended by University Policy S19-2**

**Legislative History:**

At its meeting of October 21, 2013

1 faculty, College of Humanities and Arts  
1 faculty, College of Science  
1 faculty, College of Social Science  
AS President  
3 Student Senators  
1 Graduate Student  
Associated Students: 2 members

Rationale:

In order to ensure that graduate student academic concerns are raised, the Associate Dean of Graduate Studies has been added as a non-voting member. The previous Student Affairs membership includes several Vice Presidents or designees; the new membership names members by importance of their positions in relation to student affairs. In addition, no document currently exists which gives the membership of this committee.
