F96-4, as amended by S02-1 and S03-10, provides that the Budget Advisory Committee (BAC) and President work together to develop a set of budget priorities to present to the Academic Senate no later than the first Senate meeting in Spring (section 2);

WHEREAS, Due to budget uncertainties and the reality that there will be no enrollment growth money, Interim President Crowley decided in December 2003 to begin the process of having the divisions submit budget priority requests using the priorities set for 2003/2004 (SS-F02-2);

WHEREAS, In fall 2003, the BAC postponed discussion of budget priorities for 2004/2005 because of the strong likelihood that a new president would be announced in November 2003 and begin serving in January 2004;

RESOLVED, That the budget priorities established by BAC and President Caret for 2003/2004 and endorsed by Interim President Crowley in December 2003 by using them to request funding requests from the divisions (SS-F02-2*), be adopted by the Senate for 2004/2005.
