Dr. Jack W. Redell, Chairman  
Statewide Academic Council  
Office of the Chancellor

Academic Senate

Dear Jack:

At a meeting of the Academic Council on February 2, 1983, I asked whether the Council should consider a study on the "Responsibilities of Academic Senates Within a Collective Bargaining Context." I have indicated that this document was clarified by cable exchange of correspondence between Senator Ilor Gleason and Senator Robert D. Kujawa on November 29, 1981 and January 5, 1982. This is an excellent statement of the CSU collective bargaining relationship between faculty and administration.

Please be assured that in my position and these documents constitute a common concern for the advancement of the California State University.

I have adopted this position and having implemented progress and on this so important and complex matter.

Sincerely,

*W. Ann Reynolds*
