EXECUTIVE COMMITTEE MINUTES

referral this time. Workload was the main issue when this was brought to the Senate by the C&R committee.

9. The Executive Committee discussed several issues currently being discussed at the CSU Statewide level including; cornerstones, monitoring and supporting progress in the implementation of ACR 73, textbook pricing, and online courses.

10. The Executive Committee discussed **AS 1341, Policy Recommendation, Program Planning Guidelines (Final Reading)** and a last minute request to address faculty diversity in the policy. An amendment will be proposed from the floor of the Senate regarding this issue at today's (November 20, 2006) Senate meeting.
