1.

The committee discussed the closure of the 7th Street garage for construction work. The disabled parking in this garage is right outside of the Speech and Language Clinic in Sweeney Hall, and many disabled people enter from that garage area that is now closed.

- e. From the VP of University Advancement:
The Executive Committee discussed a confidential naming opportunity.
The VP of University Advancement distributed lapel pins to committee members, and to the AS President to give to the AS Board of Directors.
