

Hector Perea moved to approve the February 16, 2016 Finance Committee Meeting Minutes as presented.

Joseph Sandoval-Rios seconded the motion.

VOTE ON THE MOTION: 3-0-2

MOTION PASSED.

Ms. Busalacchi noted that in the past that was not an issue because above the bowling lanes was the food court and there was so much noise in the food court, the bowling center noise travelling up was not an issue. Ms. Busalacchi went on to explain that now there are offices and meeting rooms above the Bowling Center. To reduce the noise from the Bowling Center the Student Union has been advised to install sound mitigation materials which are spacers in the lanes. To install these spacers requires that the tops of the lanes be removed, install the spacers, and reapply the lanes. The cost for this process is an additional \$209,000.00.

Ms. Busalacchi also noted that another issue was discovered. It is the absence of the pinsetter safety guards to each lane to ensure that no one gets injured. This will help to minimize pin chasers or mechanics working in the back from getting injured. This is not a requirement in the US however if they are not installed and someone gets hurt it would be a huge liability for the Student Union. The cost for this process is an additional \$61,165.00.

Ms. Busalacchi noted that the Student Union is asking
