1) Sexual Harassment/sexual Misconduct case with a Student Complainant and a Student Respondent. Sanctions of one-year disciplinary probation and educational sanctions for the Respondent.		
2) Sexual Misconduct/Sexual Battery case with a Student Complainant and a Student Respondent. Sanctions of one-year disciplinary probation and educational sanctions for the Respondent.		
The number of Title IX investigations closed by the Department was 1. Below is a brief description of each case, interim measures, and sanctions.		
1) Sexual Harassment/Sexual Misconduct case with a Student Complainant and a Student Respondent.		
The number of Title IX investigations closed by the Department was 1. Because neither party agreed to participate in the mandatory mediation (San Jose State University Misconduct cases).		
The number of FY 2018-19 Title IX investigations open as of June 30, 2019 ¹⁶		11

¹⁴ Because the case involved multiple Student Complainants and the University had grounds for moving forward with a formal investigation (e.g., concern of student safety), SJSU served as the official Complainant in the investigation.

¹⁵ Because the case involved multiple Student Complainants, the Title IX Office designated a complainant and named SJSU as the official Complainant.

¹⁶ As of October 1, 2019, four (4) more investigations had closed, two through Early Resolution Agreements and two through the normal investigation or hearing process. In addition, two additional cases were in the final appeal stages, one for a no policy violation and another for a policy violation.

Title IX Outreach and Training

During the 2018-19 academic year, SJSU conducted 66 in-person Title IX training sessions to a variety of audiences on a variety of topics to over 15,000 participants. Audiences included student athletes (705 participants); Greek life members (1,000 participants); incoming first-year and transfer students and parents (13,100 participants); residential life student and professional staff (125 participants); student mentors and tutors (100 participants); and faculty and
