Written by Ben Aldridge

In, On, and At: Prepositions of Time and Place,

Time

When referring to time, just as with place, *at* turns into *on*, which turns into *in* as you go from smaller to bigger.

When you want to talk about a meeting at a specific time, use *at*.

<p>Examples: I will be here <i>at</i> 9:30. I will meet you at Philz Coffee <i>at</i></p>
